Dear Friends,
Thank you for helping us reach 7 Towns with the the Gospel. We have arrived in the new decade 2010 is here, yet there is still a vast wide field teaming with souls that must be gathered in, the labourers are still few... we are instructed to PRAY for the Lord of the Harvest to send out labourers. Pray for people to be raised up who can actually do the job people clothed with power and anointing from God. People who have the power of the living God! Who will fear no man, but will go in the name of the Lord of Hosts!

"The day is short, the work great, the workmen idle, the reward abundant, and the master of the household is urgent."
